

Rules for the 39th session of the Academy of Ancient Wines on November 30, 2023

To participate in a session you must follow the usual procedure:

If you come without a bottle of wine, respect the payment dates.

If you want to come with a wine, offer an old wine and provide all information about the wine, including the level in the bottle (each photo must not exceed 500 KB and must be readable)

Obtain my approval for the proposed bottle(s)

Respect the age criteria:

Aperitif champagnes: no rules. These will be gifts from academicians who want to bring them, beyond their contribution

– The location of the meeting is: RESTAURANT MACEO 15 r Petits Champs 75001 PARIS

– Meeting time: November 30 at 7 p.m. and mandatory end at 12 a.m.

Additional recommendations:

– do not put a check in the package containing your wine. Checks must be sent separately (I prefer wire transfers).

– do not stick anything on the bottle. Anything stuck on is difficult to remove.

The restaurant asks me to limit it to 32 people. Hence the interest in registering quickly.

Important general note:

The experience of the previous 38 sessions is that I am forced to manage far too many special cases at the last moment. We will try not to suffer the imponderables.

Copy all your emails to my secretary at winedinners.paris@gmail.com

Note: voluntary contributions of cheese and chocolate are appreciated.
